

Community Resource Guide

Updated Summer 2024

The following Independence and Lee's Summit lists are of known providers of a particular service. The providers on the list are from a variety of sources. The list is being provided for information only, and the user should understand that no assurances or guarantees regarding the providers on the list are being made by providing this list. No endorsements or recommendations are specifically being provided and families must make individual contact with specific agencies in which they are interested. This list is not inclusive of all community agencies, services or organizations that provide the particular service, and the omission of an agency, service or organization from this list does not imply disapproval. It is the responsibility of the user of this list to determine whether any of the content is of value to them and whether or not the agency, service or organization meets their specific needs.

INDEPENDENCE, MO SCHOOL DISTRICT INFORMATION

Family School Liaisons

Family School Liaisons (FSLs) are key support staff in every Independence Public School. FSLs work cooperatively with students, adult family members, school staff and community partners to remove barriers that prevent students from learning. They provide resource information and referrals for families who have specific needs such as health care, emergency assistance, or counseling. They use a strengths-based, holistic service approach that engages families as partners in the process of helping their student succeed. In addition to addressing specific concerns, FSLs offer preventive, proactive services to families centered on developmental information, family life cycle information, and topics such as safety, physical and mental health, and family fun.

Teen Parenting Support

The Independence School District offers support and information to teenage students who are pregnant or parenting. Case management, community resources, and ongoing support help teens cope with the many challenges and stresses of parenting. Key aspects of the program help teens remain in school and progress toward graduation. The program is located at Truman High School and is open to students throughout the school district.

Services for Homeless Students

A homeless student is defined as one who lacks a fixed, regular and adequate nighttime residence. This includes students who are staying in transitional or emergency shelters, campgrounds, motels, sharing housing with other families due to a loss of housing or an inability to afford housing, abandoned in a hospital, staying in a substandard housing or living in places not ordinarily used for sleeping and students who have run away or have been thrown out of their homes. A homeless student may stay in the same school all year, if feasible, even if he/she moves, or may enroll in the school serving his/her temporary address.

Homeless students are automatically eligible to participate in the school meals program, instructional services through Title I, and other district services intended to support academic success such as tutoring and transportation to the school of best interest. Please contact the school principal, family school liaison, or Homeless Services office (816) 521-5300 for further information.

Main Program Office

Board of Education Building
201 N. Forest Ave Independence, MO 64050
(816) 521-5300 (816) 521-5664 (fax)
Schedule: Monday – Friday from 8:00 AM to 4:30 PM

Program Contacts

McKinney-Vento Liaison: Nicole Sequeira (816) 521-5300 ext. 10036 nicole_sequeira@idschools.org
McKinney-Vento Program Case Manager: Angie Schnetzer (816) 382-2912 angie_schnetzer@idschools.org

Program Goals

- Identify and meet the needs of students in homeless situations to maximize their success in school and minimize disruption of their education.
- Provide support and resources, including transportation, to maintain consistency and continuity in the educational process for students in homeless circumstances.
- Provide full access to educational programs and opportunities for homeless students that housed students receive.
- Engage parents and other adult caretakers in supporting the educational success of students in homeless situations.
- Coordinate services and supports for homeless students with community agencies and neighboring school districts.

Program Services Include

Services and supports are available to students and their families so that every child achieves his or her potential!

- Immediate enrollment in school and removal of barriers to enrollment and participation – for example, obtaining replacement birth certificates and immunization records.
- Transportation to and from school, and for extra-curricular activities when feasible. Transportation is also available for families to attend conferences and school events.
- School supplies, backpacks, school clothes and other daily living and enrichment items.
- Funds to replace library and text books lost due to homelessness and to purchase books for homeless students to own.
- Activity and field trip fees.
- Tutoring to help students catch up and stay current.
- Limited scholarships for Kids Safari and Early Education programs.
- Case management, support services, and on-site mental health counseling.

Who can we help?

Children and youth in temporary housing situations may be eligible for services and have certain legal rights if they are:

- living with a friend, relative or someone else because they lost their home or can't afford a home, or are runaways;*

- staying in a motel or hotel;*
 - living in an emergency or transitional shelter or a domestic violence shelter;
- staying in substandard housing;*
- living in a car, park, public place, abandoned building or bus or train station;
 - living in a campground or an inadequate trailer home;
 - abandoned in a hospital;
 - living in a runaway or homeless youth shelter.

Note: * Consideration of each individual case, along with the permanency of the situation, may be needed to determine if students in these circumstances are homeless.

Area Resources

Available emergency shelter space across the Metro.

Heartland Behavioral Health Services
<https://heartlandbehavioral.com/treatments-programs/>
The Phoenix Psychiatric Residential Treatment Facility (PRTF) provides intensive residential treatment for children, ages 6–18, whose emotional and behavioral issues prevent them from living safely in the community. The Phoenix PRTF treats a number of different child behavioral health problems, but specializes in treating the effects of complex trauma using Dyadic Developmental Psychotherapy and Practice. (They may provide transportation to the facility)
